ITEM TITLE: ACTION ITEM: SHERIFF'S OFFICE BACKUP SOLUTION

SUMMARY STATEMENT: This last month we had the backup Network Attached Storage device fail at the Sheriff's Office. This device is no longer supported and is too small to be able to backup all of the video footage that the Sheriff's Office collects with their vehicle and body cameras. We have found the least expensive option that will fulfill the current needs of the Sheriff's Office for just under \$5,000. I would like to utilize the IT contingency fund to purchase this item to ensure our compliance with retention laws.

FISCAL NOTES: Up to \$5,000 from the budgeted IT contingency fund. The IT contingency fund currently has \$6,481.08.

STAFF RECOMMENDATION: Approve the purchase of a backup Network Attached Storage device to ensure our compliance with retention laws.

SUGGESTED MOTION:
Approve the purchase of a new Network Attached Storage device for up to \$5,000 out of the IT contingency fund.
