Idaho APA Conference - October 2-3-4 will be the Idaho APA Conference in Twin Falls. All planning staff will be attending. We usually work out for the Building staff to cover for us while we are gone and then we return the favor while they attend their conference. Money has been budgeted for the conference. The conference program is attached.

Planning & Zoning Commission - A number of applications were received. The BoCC will need to make appointments.

Code Update Progress Report - We have received the DRAFT Code Audit Report. It has been reviewed by the steering committee and comments have been given to the contractor. We have a work session with the contractor on Tuesday, September 10 at 1:00 PM to go over those comments and to discuss the next steps in the process.
